Police Officer First Class James Laboard Not Guilty of All Charges

On June 20th, 2013 a Baltimore County jury found Police Officer First Class James Laboard not guilty of both voluntary and involuntary manslaughter. After a full day of jury selection and two and one half days of courtroom testimony the state and defense rested. The jury began deliberation at approximately 11:30, they were allowed time for lunch, and by 2:30 they had reached a verdict.

Despite what you may have seen or heard on the various forms of news media, the important facts of the case were brought out during the course of the court room testimony. This was in addition to other information that was agreed upon by both the state and the defense. One of the stipulations was as follows:

“The following facts are agreed to be true:

On June 13, 2012, Officer James Laboard was off-duty before witnessing a crime. At that point, Officer Laboard put himself on duty in accordance with Baltimore County Police Department policies.”

Baltimore County Fraternal Order of Police, Lodge #4 will continue to assist Officer Laboard and his family through the completion of the remaining procedures as well as the process described in Article sixteen of the Memorandum of Understanding.

GRIEVANCE COMMITTEE

~Dave Rose~

- There were no grievances filed this month.
- The Brother Phil Crumbacker grievance was waived at steps

#1 & #2. An appeal was filed to step #3.

HEALTHCARE COMMITTEE
~Steve Comena~

- Labor’s portion of the Health Care Review Committee met on Friday, May 17 at the FOP Lodge #4 office. There were two presentations given to the committee. The first one was from our local Kaiser Permanente Representative. He gave the committee an overview of the new Kaiser 24 hour care center in Halethorpe. The second presentation was from Ms. Amy Clary. She is an associate with the American Federation of Teachers Research and Strategic Initiatives Section. She gave the committee and overview of some upcoming health care changes that will take effect due to the Patient Protection and Affordable Care Act. Finally, the committee will be sending a request to the County for current paid claims data. This information helps the committee double check the rate structure of our health care premiums.

LEGAL ADVISORY COMMITTEE
~Dave Rose~

- On May 17, 2013 The FOP’s “Motion to Enforce” against Baltimore County was heard in Baltimore County Circuit Court in front of Judge Finifter. The hearing lasted about an hour. The County has ten days to file their briefs and the FOP has ten days to respond.
- The County has thus far ignored the order by the Court of Special Appeals in the Retiree Subsidy

case. They not cooperated with our counsel in returning the affected employees to their proper subsidies and reimbursing money owed. It appears that the County is attempting to re-argue the case to either avoid or delay any resolution.

- The trial for Brother James La-board was scheduled for June 17, 2013 in Baltimore County Circuit in front of Judge Alexander.
- The Brandt Bradford case was argued on April 4, 2013 at the Board of Appeals. Closing briefs were submitted on May 6,

2013.

- We have received the transcripts for day 1 and day 2 in the Ryan Massey Trial Board.
- The County’s appeal of Judge Cox’s Circuit Court decision on our Writ of Mandamus regarding the changes to the Absence Control Policy was scheduled for June 3, 2013.
- The Employee Relations Act (County Executive Jim Smith, Binding Arbitration) case was heard on September 9, 2011 at the Court of Special Appeals. We are still waiting for a decision.
- We have filed a Complaint and Petition to Show Cause in Circuit Court in the Megan Childress case for violations of several sections of the LEOBR. The hearing is scheduled for September 12, 2013.
- The committee members met on May 20, 2013 to discuss funding for legal counsel in the step #3 grievance appeal in the Phil Crumbacker case. After some discussion, a motion was made to fund the case to step #3. Af-
