- I attended the National Conference on August 11-15 in Cincinnati. There were 3 amendments to the by-laws that were to be

presented for discussion and vote. The first was to raise the per-capita from \$9.50 to \$10.50 per member with 50 cents going to the NFOP Foundation and 50 cents going to the National Memorial Service. After much discussion, this amendment was defeated. The second was to have new lodges pay a prorated per-capita starting in the month they are chartered. This amendment passed. The third amendment was to raise the per-capita from \$9.50 to \$10.50. This amendment passed. Resolution #1 was adopted and will supersede resolution #6, adopted in Louisville in 1993. The 1993 resolution called for the Grand Lodge to support H.R. 1472/S. 639 the "Anti-drug Assault Weapons Limitation Act of 1993," prohibiting the import and manufacture of certain military assault weapons. This adopted resolution allows the Grand Lodge to support measures to curb criminal misuse of firearms while supporting the Second Amendment rights of law-abiding citizens.

- There was a vote for the site of the 2017 National Conference. Nashville was selected over Orlando by a landslide, 1,970 votes to 583.

**LEGAL ADVISORY
COMMITTEE
~Dave Rose~**

- On August 14, 2013 Baltimore

County Circuit Court Judge Finifter issued a decision in the FOP's "Motion to Enforce" in the retiree subsidy case. In his decision, he ruled in favor of the FOP. He went on to state in his decision that the County's arguments were precluded from consideration by the Law of the Case Doctrine. That doctrine states that "once a decision is established as the controlling legal rule of decision between two parties in the same case, it continues to be the law of the case. The purpose of this doctrine is to prevent 'piecemeal' litigation, and also, to prevent successive appeals that involve the same questions that were previously decided or could have been decided by the court." In Judge Finifter's review of the record of this case, he stated "it appears the plaintiff (Baltimore County) is presenting the same arguments that were either presented in its Complaint, Motion for Summary Judgment, to the Court of Special Appeals in its appeal, or to the Court of Appeals in its Motion for Reconsideration. As such, the Court does not find it necessary to delve into the merits of these arguments."

- An Unfair Labor Practice Complaint against Baltimore County Executive Kamenetz for refusing to negotiate over the modified duty policy was drafted. It will be submitted to the Director of Human Resources George Gay.
- The Legal Advisory committee met on August 26, 2013. Two items were on the agenda.
- Brother Damon White submitted a written request for reimbursement of legal fees in the

amount of \$7,500, as per the Constitution and Bylaws, Article 2, Section 7. On February 21, 2013 he originally requested the Lodge to pay his legal fees for another attorney to represent him in his internal affairs case. His request was denied because the Lodge has a retainer with Mike Marshall of SBW Law Firm for these cases. Brother White's attorney successfully challenged

the LEOBR violations in Circuit Court through a Petition to Show Cause. Judge Ballou-Watts found the Department violated the LEOBR and dismissed the charges related to the LEOBR violations. The Department then settled the case. The committee members reviewed the request and after lengthy discussion, a motion was made to refund the total amount of \$7,500. There was a proper second and the motion passed 4-2. The committee's recommendation was later presented to the Executive Board and it passed 14-3.

- Mike Marshall addressed the committee members regarding Sister Angela Avent's case. It is his opinion that a Petition to Show Cause should be submitted in Circuit Court on her behalf. In reviewing her case, he feels her rights under the LEOBR may have been violated. He feels procedurally, the department made errors similar to those in the Damon White and Megan Childress cases. The committee members reviewed and discussed the request with Mike Marshall. There was a motion to fund and a proper second. The motion passed unanimously. It was later presented to the Executive Board and it passed unanimously.
- The Complaint and Petition to Show Cause in the Megan Childress case for violations of several sections of the LEOBR is scheduled and there will be a settlement conference on September 12, 2013.
- The Brandt Bradford case was argued on April 4, 2013 at the

Board of Appeals. Closing briefs have been submitted. We are currently waiting for a decision.

The FOP case against the Employees Retirement System has been assigned to Judge Souder in Baltimore County Circuit Court. On July 1, 2013 she denied the County's motion to dismiss. A scheduling conference was held on July 19, 2013. A hearing date is set for January 3, 2014.

The Employee Relations Act case was heard on September 9, 2011 at the Court of Special Appeals. On August 22, 2013 the Court issued a decision affirming Judge Martin's decision in favor of the FOP. In the decision, the court stated that former County Executive Smith violated the Employee Relations Act.
